### Friday night concert kicks off Maine Highland Games 2010

**Maine Highland Games** this year offers a Concert on Friday evening, August 20 starting at 8:00 p.m. (the eve of The Games). This event will take place in the Patron's Tent at Topsham Fairgrounds (the new site of Maine Highland Games 2010). The Clan Gathering Dinner will be held in the Exhibition Hall, and the Concert will be set up just outside of the Exhibition Hall.

Performing at the Concert will be ***A Taste of Celtic Colours***, consisting of Cape Bretoners Chrissy Crowley, Rachel Davis, Jason Roach, Darren McMullin and Colin Grant. Come and experience the real Kitchen Party feel of Cape Breton Island. Celtic Rock band ***Pogey*** will be the Headliner Band for the Friday evening concert and for the Highland Games. "The band has mastered how to captivate audiences with their original Celtic and folk rock songs, and remarkable instrumentals. ***Pogey's*** fiery live show combines electric guitar, fiddle, mandolin, acoustic guitar, bass, drums and four-part vocal harmonies to produce a trademark Nova Scotia sound". Members include Ray Mattie, Jonny Grant, Warren Robert, Zach Smith and Donald MacLennan. Tickets for the Friday evening Concert are \$15 at the tent, or \$10 with a Clan Dinner ticket.

During Maine Highland Games on Saturday, August 21 ***A taste of Celtic Colours*** will provide us with workshops in the Celtic Colours tent. You can take fiddle workshops or step dance workshops, or join in jam sessions with the band -- so bring your instruments. Stop by their tent for a schedule of the day's events.

***A Taste of Celtic Colours*** and ***Pogey*** will perform again on the main stage during the Highland Games at 3:00 p.m. Saturday afternoon.
