

## Harp Ensemble Workshop and Harp Circle

This year the Maine Highland Games is pleased to be adding a Harp Ensemble Workshop to its program. Nancy Hurrell, harper from Boston, who is well known for her performances of Scottish and early music, will be conducting a harp ensemble workshop. The list of tunes is available now to give participants a chance to decide which part they would like to play and practice ahead of time. The workshop will be followed by a formal harp circle. Harpers will have a chance to perform the tunes they have been working on as a group, as well as share a favorite tune. We will be located indoors at our new location at the Topsham Fairgrounds.

Schedule as follows:

10:00-12:00- Harp Ensemble workshop

12-1:30-Lunch break

1:30-2:30-Harp Circle

The cost of the workshop is covered with your entry ticket to the games.....\$15.00, or \$13.00 if purchased in advance.

Parking is available close to the venue, and golf carts can bring you and your harp to the door.

**\*\*To register for the harp ensemble workshop, and receive a preferred parking pass and a play list of ensemble workshop tunes please contact Melanie Lee at: [mlee@megalink.net](mailto:mlee@megalink.net)**

(Pre-registration is encouraged but late comers will be welcome)
